Designing with Public Health in Mind

What do brownfields redevelopment, sustainable design approaches, and healthy communities all have in common?

A LOT, A DISTRICT, and A TOWN!!

Come and learn more about the "*charrette*" concept and how you can use it to understand and address community public health needs through green design at brownfield sites.

This is a hands-on activity, so you might want to bring your rulers!!

November 15th
9:00 am – 1:00 pm
Room 210A*

*Please check the final conference schedule to verify the location.
